LA BUCCA WINE BAR Exclusive Private Party Venue

The La Bucca Wine Bar is situated underneath our Ratoath restaurant and is the perfect intimate venue for any celebration or family occasion. The venue is completely self-contained and once booked the room is exclusively yours for your own private use.

The room comfortably sits 50 people, with room for a few more for less formal gatherings and is perfect for events such as birthdays, christenings, communions and confirmations.

There are two menu options available, our famous finger food platters, consisting of an array of La Bucca's pizzas, skewer selection, chicken goujons, dough balls, skinny chips, crostinis and of course our renowned chicken wings.

Alternatively you could opt for our 'Deluxe Platters'. All the above items are included & there is the additional treat of Chilli Beef Nachos on arrival & slider burgers for later.

If you're interested in booking a date, please don't leave it too late. Many key diary dates are already taken, but there are still plenty available. Contact us on 01 6896040 to check availability or to organise a viewing if you haven't seen the room before.

As well as rolling out the red carpet for you, we can tailor your event to suit your needs, just call in & enquire!

In order to confirm your booking date we will require a small deposit. Please note we don't accept bookings for 18th or 21st birthday parties.

VIEW FROM THE BOTTOM OF A WINE GLASS

BY RUSSELL BAILEY

Maison de la Villette is our listed Pinot Noir. Although it is named after an historic Parisien quarter famed for its food & wine markets, it is in fact produced in the town of Chanes in the region of Bourgogne.

Pinot Noir is grown predominantly in wine growing areas with a slightly cooler climate and is widely associated with the Burgundy region of France as well as being the most used grape variety in the production of champagne.

Due to their thin skins, Pinot Noir grapes produce light coloured, low tannin wines. It is easy to make the mistake of thinking that a good red wine needs to be deep red, powerful & full bodied, but this simply isn't the case. It's like anything in the wine world & is simply down to personal taste.

Maison de la Villette is perhaps a little deeper in colour than most pinots, has refreshing aromas of raspberry and cranberries and is packed full of silky ripe fruits with an appealing spicy smokiness.

So if you feel like trading up slightly from our house wines the next time you're in La Bucca why not try a sumptuous glass of pinot noir, we find that it perfectly complements our Char-grilled 'peri-peri' Chicken & goes equally well with our Duck Salad.

PARADES 2020

Serving Our Community' is what La Bucca is all about, not just in our restaurants, but by getting involved in as many local activities as possible.

La Bucca are delighted to be involved with the St. Patrick's Day Parades in our communities of Ashbourne and Ratoath.

We will be at the parades with our friend Chef Lucca giving out 1,000's of mini pizzas, or pizzatinis as we call them to all our customers, friends and locals.

Our "Pizza Fiesta" (Festival Pizza) fund has helped us contribute over €1,500 to the parades as well as contributing to many other events throughout the year.

Every time a Pizza Fiesta is purchased in one of our restaurants €2 is allocated to our festival fund from which a

contribution is made towards a local festival or activity.

So the next time you're in La Bucca, order a Pizza Fiesta.

We are proud to be the main sponsor of the Ratoath St Patrick's Day parade for the 7th year now and we are heavily involved in getting the 'show on the road'!

If any local businesses or clubs would like to get involved with sponsorship, donations or participate in the Ratoath parade please contact niamh.cardiff@labucca.ie

See www.facebook.com/ratoathparade/ for updates

The Ashbourne and Ratoath parades will take place on Tuesday 17th March, times to be confirmed.

After many years of using pencil & paper we have moved into the technological era & have introduced an on-line booking system for our customers. This has come as a massive culture shock & learning curve to some of our more 'experienced' members of staff & management but we felt it was time to brace ourselves & move forward.

Ultimately we will also be able to use the system as a tool to recognise repeat, loyal customers & be more specific with our offers & promotions to you. In order for us to continue to control the efficiency of our business there are certain parameters that have to be set, such as the maximum size of a group booking. However we are just at the end of the phone as always to deal with you directly whenever needed for any out of the norm requests.
